Gluten and Soy Declaration

FSOil is proud to produce the highest quality products made in an all-natural process.

This letter is to certify that our products, CO2 Extract Crude, refined Extract, and Distillate, are gluten free. Our products are inherently gluten free. They do not contain and are never exposed to gluten containing grain. In no part of our operations do we use or add wheat, rye, barley, or any of their by-products. Our processing aid, Ethanol, has been tested and is declared gluten free as defined by FDA regulation 21 CFR 101.91.

This letter is to certify that that our products, CO2 Extract Crude, refined Extract, and Distillate, are free from soy. Our products are inherently soy free. They do not contain and are never exposed to soy or soy products. In no part of our operations do we use or add soy or soy by-products. There are no soybean farms near where our single ingredient is grown.
